

HALLOWEEN

1-800-460-8833

Every child awaits the coming of this holiday filled with costumes, candy, and lots of celebration. Our homes are also filled with parents and Grandparents who enjoy this holiday as much as the children do. This is why we can not pass the opportunity to offer t-shirts and totebags with your favorite Halloween designs. We have everything from pumpkins to black cats and everything in between. Our t-shirts are 100% cotton, pre-shrunk, and ready to last an entire year of hard wear. Best of all, we offer you a 30 Day Net purchasing power that will help you get as many shirts as you wish and pay 30 days after receiving the shipment. Don't delay! Prepare your facility for a great celebration this year with all of our products. Call one of our representatives Toll Free from anywhere in the USA, or visit our website at the address written below. You will find a vast amount of designs that will help you plan and succeed in any holiday or activity for the entire year. Remember: we customize your order to meet your particular need with our designs or we can create one for you. Call Today!
